

Kalpataru Vidya Samsthe (R) Estd : 1961

KALPATARU INSTITUTE OF TECHNOLOGY, TIPTUR

(Affiliated to Visvesvaraya Technological University, Belagavi)

(Recognised by A.I.C.T.E., New Delhi, Accredited By NBA (CSE/ECE), Accredited by NAAC)

2nd International Conference on Distributed Computing and Communication Systems

Publication Partner

(ICDCCS 2026)

17th & 18th July 2026

Presentation Mode:
Hybrid Mode

About the ICDCCS - 2026:

The 2nd International Conference on Distributed Computing and Communication Systems (ICDCCS 2026) aims to bring together researchers, academics, and industry practitioners from around the world to address emerging challenges in distributed computing and communication systems. The conference provides a premier platform for presenting, sharing, and discussing innovative ideas, recent advances, and future trends in this dynamic and highly challenging field of science and engineering.

Author Submission Policy

Prospective authors are encouraged to submit high quality original, previously unpublished, experimental or theoretical research papers for presentation at the Conference. Articles submitted to the conference should meet these criteria and must not be under consideration for publication elsewhere. The paper should be in the format strictly as per the Paper Template given below. The papers should be drafted in English with a maximum of Ten (10) pages and minimum of Six (6) pages including figures, tables and references. The paper will be peer reviewed by domain experts of the respective tracks by the Technical Program Committee. Authors should submit the papers through CMT Microsoft. Kindly do not submit the paper multiple times; it may lead to cancellation of your paper.

Publication:

All the accepted and presented papers in the ICDCCS -2026 will be submitted for possible inclusion in Springer in their prestigious “IoT and Wireless Communication Networks” series.

IMPORTANT DATES

Submission Deadline	: 12 th July, 2026
Notification of Acceptance	: 15 th July, 2026
Registration Deadline	: 16 th July, 2026
Conference	: 17 th & 18 th July, 2026

REGISTRATION FEE:

Categories: Standard

Indian Authors

Academicians	: 3000/-
Industry	: 4000/-
Extra page (after 6 pages)	: 500/-

CONFERENCE TRACKS

Distributed Computing

- Scalable Algorithms for Distributed Systems
- Distributed Database Systems and Big Data Analytics
- Cloud and Edge Computing Architectures
- Fault-Tolerant and Reliable Distributed Systems
- Distributed Machine Learning and Federated Learning
- Scheduling and Resource Allocation in Distributed Systems
- Peer-to-Peer Systems and Applications
- Security and Privacy in Distributed Environments
- Middleware for Distributed Computing
- Energy-Efficient Distributed Computing
- Mobile and Ubiquitous Distributed Systems
- Virtualization and Containerization in Distributed Systems

Communication Systems

- 5G and Beyond Wireless Communication Systems
- IoT Communication Protocols and Standards
- Network Virtualization and Software-Defined Networking
- Cognitive Radio and Dynamic Spectrum Access
- Antennas and Propagation for Communication Systems
- Satellite and Space Communications
- Optical and Quantum Communication Networks
- Signal Processing for Communication Systems
- Network Security and Cryptographic Protocols
- Energy-Efficient Communication Systems
- Ultra-Wideband and mmWave Communication Technologies
- Vehicular Ad Hoc Networks (VANETs) and Smart Transportation
- Machine Learning in Communication Systems
- Green Communication Networks
- Next-Generation Communication Protocols and Architectures
